

CONSIGNMENT INSTRUCTIONS
SOUTHEAST PERFORMANCE TESTED BULL SALE
March 24, 2017 – Farmington Livestock Auction
OPEN TO ANY STATE

FORMS MUST BE IN BY: January 20, 2017

HEALTH REGULATIONS:

- I. A complete general physical examination and semen test of the bull by a veterinarian is required.
- II. VACCINATION required for: All available leptospirosis bacterins within 30 days of sale.
5 way required - 7 way is recommended
- III. BREEDING SOUNDNESS must be determined by a veterinarian within 60 days of sale using standard assay analysis of semen approved by a School of Veterinary Medicine. Suggested minimum testicle measurement for consignment is 33 centimeters by sale time for area sale. The Sale Board of Directors will pass on any bull that is questionable unsoundness. It is the responsibility of the breeder to see that all health papers are completed prior to the sale and brought to sale completed and testicle size written on the health paper.

PLEASE MAKE SURE VET WRITES TESTICLES MEASUREMENT ON HEALTH FORM.
