

REQUIRED PERFORMANCE AND CONFORMATION INFORMATION:

- A. The bulls eligible for the 2021 Fall Sale must have been born September 1, 2019 to October 15, 2020.
- B. The sale will begin at 7:00 p.m. on Friday, October 29, 2021.
- C. The bull's yearling weight must be taken at 350 to 440 days of age and adjusted to 1100 lbs. or more at 365 days. All weaning weights and 365 weights are calculated by the breed associations and must be registered in their respective association. He must be 49 inches tall at hip at 1 year of age (5 frame minimum).
- D. The bull must be in top 50 Percentile for any 2 out of 5 EPD Traits – CE or BW EPD, Weaning Wt. EPD, Yearling Wt. EPD, Milk EPD and Marbling EPD.
- E. If the bull has been used or in service prior to the sale, this will be announced on the auction block. Bulls that have been used must test negative for trichomoniasis and include this on health paper.
- F. Bulls to be eligible for the sale will have to be owned as a cow-calf unit prior to the time the calf is 120 days of age. Exceptions to this rule, in partnership cattle will be determined by the sale committee.
- G. All bulls must be examined for breeding soundness by a veterinarian within 60 days of sale, using standard assay analysis of semen approved by a School of Veterinary Medicine. All bulls must be free of obvious defects of conformation unsoundness.
- H. Health Certificates. A complete general physical examination of the bull by a veterinarian is required and vaccination for all five strains of Leptospirosis within 30 days of sale. All bulls must have semen test and scrotum minimum of 33 cm. Yearling bulls must be 32 cm. Testicle size must be written on the health paper.
- I. Individual weights and soundness scores will be obtained by a committee starting at 9:00 a.m. the day of sale.
- J. Bulls must meet a weight per day of age requirement at sale weigh in to sell in the sale (see back).
- K. Bulls do not have to be broke to lead or tie. Bulls that are halter broke must be led with a nose lead. (No exceptions).
- L. Bulls recorded by their individual association will be accepted in the sale and their EPDs must be on the breed association website.
- M. Potential carriers of all genetic defects that tests are available for must be tested free to qualify for sale.
- N. Consignments are open to Missouri and surrounding states bordering Missouri.
- O. Health papers must be furnished to sale manager. Consignors are responsible for transferring registration papers in a timely manner following the sale.
